

PRECISION CUTTING SOLUTIONS

Specialising in High-Performance End Mills
with Advanced Coatings

Explore our extensive selection of end mills,
meticulously manufactured to meet the
demands of cutting hard materials with
precision and efficiency.

TiN (Titanium Nitride)

TiAlN (Titanium Aluminium Nitride)

TiCN (Titanium Carbonitride)

AlTiN (Aluminium Titanium Nitride)

AlTiCrN (Aluminium Titanium Chromium Nitride)

ZrN (Zirconium Nitride)

DLC (Diamond Like Carbon)

DLC (Diamond Like Carbon)

CrN (Chromium Nitride)

Nano Blue Coatings

TiSiN (Titanium Silicon Nitride)

End mill 2/4 Flutes
